

Spring 2014
Excellent Schools Detroit
Recommended Schools
KINDERGARTEN-8TH GRADE

Every year, we gather a group of parents, experts, and teachers to grade Detroit's schools. We use more than test scores—we also look at how much students learn in a year and what the school atmosphere is like.

Know, then enroll

Get in touch with our recommended schools, learn more about them, and find a good fit for your child. It's best to enroll in a new school as soon as possible before it fills up.

Excellent Schools Detroit recommends these schools because of their:

- Welcoming Environment
- Caring Teachers and Staff
- Strong Academics
- Involved Families
- Community Partnerships
- Afterschool and Extracurricular Activities
